Absentee (proxy) bidding for the Potomac Area Tool and Industries Association (PATINA) Tool Auction is a service provided for the sole convenience of PATINA members in good standing. The Association will do its best to ensure that such bids are submitted in an orderly, efficient manner during the course of the auction. PATINA cannot be held liable for any error or omission in connection with the bidding.

Bids are to be entered on the provided or similar form, submitted either by regular mail or by email in sufficient time to arrive 24 hours before the auction.

PATINA reserves the right to reject any form or bid submitted if it is deemed to be incomplete, illegible, or disingenuous.

All lots are sold "as is" at the time of sale. Upon the fall of the auctioneer's gavel, the item becomes the property of the winning bidder, who assumes responsibility for paying for and taking possession of the item within the agreed upon time frame. In the interim, the Association will do its best to safeguard and carefully handle the item. Nonetheless the winning bidder is fully responsible for any damage or loss that might occur, and remains committed to remuneration.

The Auction Manager will advise absentee bidders of their winning lots by email or phone. Those individuals must submit payment and collect the item(s) from the Manager within 10 days, unless the Manager agrees to an alternate arrangement. The Auction Manager's contact information is given below.

As a courtesy, the Auction Manager is willing to ship items to winning bidders using USPS, FedEx, UPS or other common carrier. The bidder must assume the cost of postage plus fees incurred for packing the item(s).

Failure of a member to fulfill his/her responsibility, as delineated above, will result in loss of privilege to submit absentee bids for future PATINA auctions.
